THE SWEETEST LOVE STORY is about Penny and Myra. When Penny's elderly owner died she was left without a home. She was on her way to a shelter for euthanasia when the folks at the Bay Area Alliance for Animals stepped in to help. They took in Penny, and she was adopted by Myra. Penny was given a new lease on life and Myra was given a new friend to shower with affection. Bay Area Alliance for Animals, a nonprofit organization, is in need of volunteers to help more animals like Penny. You can help through volunteering, fostering, advocating and even donating! Donations can be made on the website. To help and learn more, visit www.bayareaa4a.org.
