Village Staff Changes: Goodbye and Hello

This Fall has been a time of many changes for the Village. Mid-November, with heavy hearts, we had to say goodbye to our Member Service Manager, Robbi McCaughan, who has been an impeccable resource and gracious friend to Villagers for the past 5 years. We are grateful for her wonderful service and wish her all the best in her future endeavors—she will be missed!

Also in November, we welcomed on board Sabrina Huang as our new part-time Social Events Coordinator. Sabrina will begin a regular schedule in January 2019 and will plan and organize Village social out-

ings, workshops, celebrations and more! With Sabrina’s support, we can look forward to a richer schedule of activities to bring Villagers together in the coming year. Finally, after a rigorous search process, we welcome Dawn Greenblat as our new Member Services Manager. Dawn has been described as “an impressive problem solver,” and will bring a wide range of skills to serve you and support the Village. Going through so many changes in a short period of time can be stressful, but it is exciting too. With our new team lined up and ready to improve

existing Village programs and services, and add new ones, we look forward to a busy and eventful 2019!

New Member Services Manager, Dawn Greenblat

New Special Events Coordinator, Sabrina Huang

Goodbye Robbi! - She is back in Michigan with her family & cats

Heading Back to Bryant Street!

The renovation of Avenidas’ home building at 450 Bryant Street is nearing completion! This project, which included full interior renovation of the original historic building plus 3 stories of additional space added onto the back, has been moving along quickly and now, the end really is

in sight! 5 Village members attended the final hard hat tour on December 6th to see the final stages of completion. The Avenidas Village office will be located in the former Garden Room, and the courtyard in front will provide a welcoming area for Villagers to casually sit

and visit, or enjoy special events.

From the Chair: Village Annual Meeting January 15th

By Dick Smallwood, Chair, Village Advisory Council

All members of the Village are invited to attend the annual meeting of the Village. This is your opportunity to meet the members of the Village Advisory Council and learn about all the work they are doing to make the Village a success. Following a brief reception from 2:30 to 3:00, members of the Village staff and Council will report on membership numbers, cluster activities, Village partnerships, vetted

vendors, village volunteer activities, new village programs, Village finances, the Vistas program and the upcoming move to our new offices. There will be plenty of time to ask questions and offer suggestions for improving Village operations.

Please put this on your calendar and plan to attend. It will be an interesting and informative two hours.

Avenidas Village Annual Meeting

Update—New Avenidas Village Website on the Horizon

Are you active online? Have you ever logged onto the Village website and wished it could do more to connect you with your neighborhood cluster, other members, vendors, and provide in-the-moment news and updates? You are not alone! Everyone agrees our online presence needs refreshing. The good news is, in

the coming year we will start implementing a new software package, “Helpful Village”, which will streamline our data management and provide you with an improved member experience. You will be able to request services or referrals online, view a current events calendar and register for events, and easily

search for vendors or other Village members. “Helpful Village” was created expressly to perform the functions needed by Villages and their members, and we expect that once it is in place for Avenidas Village, you will love logging in! Finally, help for our Village website is on the way!

Back to Bryant Street *(Continued from pg. 1)*

The entire renovated location offers a variety of meeting and activity rooms where many of our programs can be scheduled, including fitness space, technology space, and a professionally operated café. Below are important dates to remember as we get ready to move back to Bryant Street:

or (650) 289-5405

February VISTAS: “Diversity in Tech Workplaces” with Dr. Shelley J. Correll

Tech companies have attempted to increase their diversity, but their progress has been stubbornly slow. Shelley will describe how cultural definitions of the ideal tech worker together with current procedures for evaluating talent allow implicit, stereotypic biases to flourish. These conditions disadvantage underrepresented

groups as they attempt to enter and navigate technical workplaces. She will review studies of how these biases affect women and other minorities including older workers. She will also describe current efforts underway, including her own, to help tech companies recognize and move to address these biases in order to make workplaces more inclusive. There will be ample time for questions and discussion.

Friday, February 15th
11:30 AM
Cubberley (Room 5)
Free – RSVP at
shuang@avenidas.org
or (650) 289-5405

Discount Tickets for Palo Alto Players—code VILLAGE

Avenidas Village members receive a special \$5 discount off senior ticket prices for all Palo Alto Players performances (excluding preview nights) in their season.

Palo Alto Players continues its 2018-19 sea-

son with the Peninsula premiere of Lee Hall’s **stage adaptation of Tom Stoppard and Marc Norman’s 1998 Oscar winning film, SHAKESPEARE IN LOVE**. Set against the backdrop of mistaken identity, ruthless

scheming, and backstage theatrics, the romantic romp imagines the fictional love affair between William Shakespeare and the woman that inspires him to write his first great masterpiece.

Performances are January 18-February 3 at the Lucie Stern Theater in Palo Alto. Learn more about the play and purchase tickets at paplayers.org.

Welcome! Chuck & Jean Thompson, Don Killam & Peggy Kleikamp

Chuck and Jean Thompson have lived in their Emerson St. home for nearly 50 years, and their children went to Walter Hays, Jordan Middle, and Palo Alto HS. Chuck is retired from SRI International and Consulting Psychologist's Press; Jean is retired from Stanford VA. Both were computer analysts. Jean is a member of Black Sheep Handweavers Guild, and Chuck is interested in photography. They

Jean & Chuck Thompson

reside in Cluster 7, Old Palo Alto.

Don Killam & Peggy Kleikamp joined the Village in October. They live in Mountain View and will be members of Cluster 2. Don enjoys climbing at Planet Granite and reading, and Peggy loves antiques, especially dollhouses, as well as dogs and music.
