Avenidas Honors National AIDS Day
Tuesday, December 1 at 1pm

World AIDS Day is a day to remember, to honor, and to be educated. Avenidas Rainbow Collective invites you to do just that.

Program includes:

HIV/AIDS then and now: a brief history
by Thomas Kingery, Avenidas

The effects HIV has on the brain and a person’s mental health
by Dr. Lawrence McGlynn, MD, (psychiatrist)

The physical effects of HIV and what it means to be undetectable
by Dr Andre Zolopa (infectious Disease Doctor)

Resources for people living with HIV
by Molly Herzig (Case Manager w/Health Trust)

Remembrance ceremony
If you have lost a loved one to HIV/AIDS, we invite you to submit the name and relationship of that person when you register so that we may honor their memory together during the event.

Special gift
All registered participants will receive a keepsake red ribbon pin, so sign up today!
