Keeping Our Community Connected
Dear Supporters,

During our past fiscal year that ended on June 20, 2021, the entire Avenidas team worked diligently to be responsive and innovative as we continued to navigate the needs of our community with the changing mandates and safety protocols regarding COVID. We adapted and expanded many of our programs and services and created new ways to support and connect with one another.

For example, for our most frail population, the Avenidas Rose Kleiner Center clients, we provided remote care during the time the Center was closed by making wellness check-in phone calls, producing Zoom content such as exercise programs, and conducting safe home visits by our nurses to check their health and well-being. We also delivered much needed supplies and made weekly deliveries of customized activity packets to keep people involved and active.

We provided grocery shopping and delivery services through both our aging-in-place membership program, Avenidas Village, and our Door to Door transportation program. We expanded Door to Door services to include prescription pickup and delivery, and even checked out and delivered library books to participants’ homes to help keep their spirits up.

Additionally, for our other programs and services such as Learning & Leisure, Health & Wellness, Rainbow Connection, Senior Planet @Avenidas, and the Avenidas Chinese Community Center, we transferred many of our offerings to an online platform and created new virtual content.

Through these virtual and hybrid classes and events, people remained active and connected, continuing to learn and grow even from home.

Looking back, it was another tough year during an ongoing pandemic that continues to have health and economic repercussions. One of the highlights of the year was to welcome our new President, Amy Yotopoulos, who brings extensive experience in the fields of caregiving and longevity.

The Board of Directors and I, as the Board Chair, are immensely proud of Amy and the team for supporting one another, by constantly pivoting and innovating to stay relevant and for being a bright light in our community.

Thank you for standing by Avenidas, both in good weather and in a pandemic! We are optimistic as we continue the reopening process and look to the future. We greatly appreciate your generosity and unwavering support.

Sincerely,

Hank Massey
and Amy Yotopoulos

Hank Massey
Avenidas Board Chair

Amy Yotopoulos
President & CEO
FY 20-21 Highlights

Avenidas strives to keep programs and services affordable. While fees are charged for many services, they do not cover costs and, as a result, it is necessary to raise funds to subsidize every program. These subsidies come from community support, investment income, grants, and government funding.

This year was particularly challenging as Avenidas remained physically closed during most of FY 20-21 due to the continued Public Health Emergency related to the COVID-19 pandemic and we were forced to reduce our offerings, resulting in less program service fee income than in prior years. However, we were fortunate to have strong community support and government funding and, together, they covered more than half of operating costs. The remainder of costs were supported by transfers from Endowment and Board Designated funds. Those transfers totaled $1.52 million, $1.15 million of which came from the Endowment. The end result was an excess of operating revenue over operating expenses. This surplus will be returned to Board Designated funds and net assets.

Net assets increased by almost $5.3 million due to Endowment investment gains and the forgiveness of the Paycheck Protection Program loan received in FY20.

* Reflects operating revenues for the period.

Financial information is derived from financial statements for the year ended June 30, 2021.
For complete audited financial statements, please see our website at avenidas.org/about/financial
